COMEDY TO A RADIO NEAR YOU...

June 2007 was the start of the regular 08:45 AM broadcast of comedy material by DJ Tim Heywood (*left*) on 'Hope FM's' *'The Weekend Breakfast Show'* by Gary's groups *'Project X'* and *'Radio Boscombe'*, and by other performers. The run ended in September 2009 with Tim's departure from the show. For associated charity product see *'Shop'*.

'Writing and recording for *'Hope'*', says Gary, 'is a bit like the early days with The Drunkards. We didn't do a tape until Jan '78, before that it was record a sketch, then play it at parties and stuff. This is back to thinking of individual stand-alone pieces again. I hope we'll do a CD of the best tracks broadcast to benefit both us and *'Hope'*'.

Other *'Hope'* shows re-broadcast the material - plus archive tracks. Gary and co still also regularly appear on the Wednesday night arts show, *'Livewire Live'* - so click for schedule. On 7th April 2010 *'Radio Boscombe'* got the honour of kicking-off the show's extension to TWO HOURS!

Further radio stations have also got in on the act - *'Radio Boscombe'* have also appeared on *'Forest FM's'* drivetime *'Laura Jerome Show'* (*before she joined the group*).
