FORMATION

What is 'Ravenhell'? We're not quite sure – but come along and play!

It is a truth, universally acknowledged, that when the sun goes down Anne Bronte and her chums crack open the best beach parties in the five galaxies – so bring your cider and your mates and come along... Check social media, every Friday during drivetime, and every Saturday after the football results, for the precise venue between Sandbanks and Hengistbury Head.

We all want to have a laugh and a good time but - after a recent incident - anyone caught irresponsibly loom - or encouraging under 16s to loom - will be reported to ['Wessex Police'](#).
