## FORMATION

These old comedic codgers? What could *possibly* go wrong?

It began when JONATHAN RUSSELL suggested former RADIO BOSCOMBE bandmate, GARY MITCHELL, view GRAHAM ANDREWS' FB page, *'T P Productions Present Sketchy At Best'*, where Graham was asking for input on his material. Gary responded – suggesting collaboration (obviously not with occupying Nazis)... JONATHAN's knew both of 'em from back in the 20<sup>th</sup> century, also got further involved.

During lockdown the trio began rehearsing and developing each other's material and ideas via Zoom, Skype and Virtual Hamster.

The rest - as they say – is domestic science.

Material coming soon – of an adult nature – so look away now...
