# X PROJECT

Photo below: left to right - Richard, Gareth, Laura, Gary... logo to the right!

'Project X' began in late 2005 when RICHARD BREWER, LAURA QUNINTERO and GARY MITCHELL began work developing an 'audio sit-com' tentatively entitled '*Pop Academy - Cruise Control*' - but joined by GARETH MAYO moved on to work on broadcasts and CD's to include 'songs and sketches and jokes old and new...' often assisted by Angus, Rich and Laura's manic Highland Terrier. We're currently inactive, not because we hate each other, but 'cos we're all doing other things at the mo.

**THE STORY...** Gary met Richard and Gareth in 1991 whilst attempting to teach them history - even once making the proverbial school movie! Richard went off to do creative writing at Bangor University, Wales, and met Laura at a night club in Ringwood, Hants - difficult but not impossible! Gary knicked Richard's name as a character in his novel '*Don't Fall In Love Too Quickly*'. Aware of his former (tor)mentor's work Rich contacted Gary in late 2005 about the prospect of collaborating on a comedy project, and after several meetings - sometimes not even in pubs it was so professional - the trio began writing - together and separately - for 'Project X' , soon joined by Gareth. Hey - you think that's complicated Laura was Richard's girlfriend in real life - and by an amazing coincidence it turned out Richard was also dating Laura - so much so they got engaged in July 2008 and married a year later on 28th Aug 2009! Gareth plays guitar, does a range of European accents, and was delegated to produce the group logo. At first it was a bit up in the air... but then it worked out beautifully (except for Gary who is now too old to appear in MTV videos, where he is replaced by a stunt double).

We all chipped in ideas, but the one wot wrote it usually drives! How technology changes in thirty years, eh? When Gary started in 'The Drunkards' he was using a cassette recorder and writing out copies by hand - now it's all e-mail and digital mastering! 'There's life in the old dog yet', says Richard, 'before, that is, we work him to death and steal the rights to his life's work during a senior moment'. Gareth, being a modern guy, usually does his bit of the music straight onto PC - he has a box that makes his guitar sound like a piano. Laura tells them when its' wrong.

Our radio play '*Paint An Elephant*' didn't win the 2006 Christchurch Writing Festival but we got an honourable mention, and it's available on our first CD. We've written and recorded material for '*The Weekend Breakfast Show*' on '[Hope FM](#)' and have also appeared on their Wednesday night arts show '[Livewire Live](#)', performing live and larking around. Another plan is to one day post FREE downloadable material onto a new group website - 'cos 'MySpace' won't let us on theirs!! Plans are also afoot for a new 'best of' CD to promote the group as commercial writers for other people - Mitchell and Webb (no relation) have already knicked some ideas off the sample CD we gave them!!!

Our sampler CD has been withdrawn and is now a collectors' item! Exclusive tracks are now available on the charity compilation CD '*Unavailable Elsewhere*' - see '[Shop](#)' .

#### CURRENT (IN)ACTIVITY

We're on an indefinite break. That said, we've raided the archives to support the '*Brain Tumour Charity*' (<https://www.thebraintumourcharity.org/>) to release '*The Unreleased*' – which as its name suggests was the album wot was never released. See '[Shop – Charity Offers](#)' for how to get hold of a copy...

#### SOLO ACTIVITY

Richard is working on a play for BBC, a novel, a sci-fi TV script, and a screenplay with James Duckett as well as doing a commercial scriptwriting course. He's also written and published '*Dr Who*' stories. Gareth is recording a solo music CD and snowboarding. Possibly at the same time. For Gary's solo stuff see this website.

Behind every great man...! Laura is currently organising Richard, being a domestic goddess for '*Avon*', and looking after their daughter, Sophia (born April 2010). Gary and Richard are both members of the *Southbourne Tabletop and Boardgamers Club (STaB)* (website [www.sttab.co.uk](http://www.sttab.co.uk)) .

**RECORDING SESSION, 22/9/2006, Bournemouth (Gareth's penthouse). PERSONNEL: Gary, Richard, Laura, Gareth. ITEMS RECORDED: Paint An Elephant (Song) / Paint An Elephant (Play) NOTES: Following his strategy of 'aggressive recording' we recorded our new radio play on Gareth's snazzy PC (which leaves him with a huge editing job) but we got it done and dusted in an evening (the software is 'easier' to edit and more forgiving than Gary's analogue 4-track). This is a complex recording and Gaz the Younger had already recorded inserts and the song in the week before. 'The first session in 30 years where I haven't had to twiddle nobs', said Gaz the Elder. 'We're getting a puppy', said Rich and Laura.**

Maybe.**

**RECORDING SESSION, 15/4/2006, Bournemouth (Gary's house). PERSONNEL: Gary. ITEMS RECORDED: Scaramanga Goes To The Estate Agents (3:50) NOTES: A 'sting' sound effect added in order to successfully master. The first of the 'Bond' sketches!**

We ate pizza! 'Sharpe' left unfinished, Gary finishing a 'close-mic' (possibly demo) version back at his afterwards! We changed the name of 'Beer' from 'Date Rape' because it sounds nicer!**

**RECORDING SESSION, 19/3/2006, Ringwood (Gareth's parents place). PERSONNEL: Gareth. ITEMS RECORDED: Johnny Cash Shopping (2:34) NOTES: Everyone else absent this time - a comic song from Gareth, 'The Man In Black' shops at Tesco!**

ITEMS RECORDED: Mr Jizz (0:46) / The Kulture Show (5:55) NOTES: Gareth unable to make the session due to being badly injured in a skiing accident. ITEMS RECORDED: The Lost Lenin Tapes ('Free As A Prole') / The Lost Lenin Tapes (4:29) NOTES: Gary masters his original and unissued last century recordings of the sketch - and it's song insert - as 'demos' to be developed by the group. Or not. (Original recording date 6/4/1997).**

**RECORDING SESSION, 18/2/2006, Bournemouth (Gary's house). PERSONNEL: Gary, Richard, Laura. ITEMS RECORDED: Girls Night In (4:15) / Girls Night In 2 (4:25) NOTES: Gareth away moving house!
