

# Gary Mitchell's Other Stuff.

Page last updated 8<sup>th</sup> March 2024

This page is a summary of Gary's creative career *since* becoming a novelist in 1996.

See '[Shop](#)' for items from this era that have thus far been re-released and [www.spacevixensfrommars.com](http://www.spacevixensfrommars.com) for all 'SVfM' product.

The small print.

The following concorded, unpublished and lavishly illustrated complete biobibliographies cover the 'Previous Life period' period. '*Drunk Rock*' (1958-1983 from a Drunkards perspective), '*Drunk Rock II*' 1984-1988 from a Drunkards perspective, plus addenda to the earlier volume), '*Drunk Rock III - The Final Solution*' 1989-1990 from a Drunkards perspective, plus addenda to earlier volumes and a posthumous Drunkards section covering 1991-1993).

By 1990 Gary was the only former Drunkard still formally active, so '*Sein Kampf*' covers his career 1991-1995 and the Drunkards 'estate' from 1994-1995 - our Gazza being designated 'keeper of the flame'. '*Sein Kampf II*' covers Gary's career/the Drunkards 'estate' 1996-2000. Both volumes contain addenda for earlier periods too.

This webpage is the biobibliography for 2001 plus, plus any corrections, so there is a slight overlap. Ok? Good, glad that's clear...

## CURRENT ACTIVITY

ONGOING!

Due to workload commitments as 'writer and historian' Gary is currently mainly

concentrating on 'servicing existing product' and 'exploiting back catalogue'.

For the latest on the 'contemporary humour' front - see '[Current Comedy](#)' pages.

For the latest 'SVFM' developments see [www.spacevixensfrommars.com](http://www.spacevixensfrommars.com) .

See '[Wargames](#)' pages for his current gaming article output.
